

Chair Georges Lemaître 2023

Report of Contributions

Contribution ID: 1

Type: **not specified**

Inaugural lecture: 'The dawn of multi-messenger astronomy'

Wednesday, 6 March 2024 16:15 (2 hours)

Presenter: Prof. AHLERS, Markus (NBI)

Contribution ID: 2

Type: **not specified**

Topical lecture: 'Neutrino Astronomy: Status and Outlook'

Thursday, 7 March 2024 10:30 (2 hours)

Presenter: Prof. AHLERS, Markus (NBI)

Contribution ID: 3

Type: **not specified**

Topical lecture: 'Selected Topics on Multi-Messenger Data Analyses'

Friday, 8 March 2024 10:30 (2 hours)

Presenter: Prof. AHLERS, Markus (NBI)

Contribution ID: 4

Type: **not specified**

Topical lecture: 'Cosmic-Ray Anisotropies: Observations and Interpretations'

Monday, 11 March 2024 10:30 (2 hours)

Presenter: Prof. AHLERS, Markus (NBI)

Contribution ID: 5

Type: **not specified**

Topical lecture: 'Cosmic Neutrinos as a Probe of Fundamental Physics'

Tuesday, 12 March 2024 10:30 (2 hours)

Presenter: Prof. AHLERS, Markus (NBI)

Contribution ID: 6

Type: **not specified**

Outreach night

Thursday, 7 March 2024 20:00 (3 hours)

This event is organised by the Young Minds and the Kot astro
